Answer Your Questions!

- Which physicians see patients prior to home health admission – *and how many?*
- Patient metrics based on each physician – unduplicated admissions, total admissions, Medicare revenue information!
- Which home health agencies serve patients from each physician – *and how many?*
- Understand which physicians (including provider systems) send patients to your agency – and to your competitors!

**The "fine print": 1) Please see detailed information, demo accounts and videos at www.HomeHealthAnalytics.com. InfoMAX counties may include multiple states. 2) Data used include CMS Limited Data Set 100% Standard Analytic Files for hospice, hospital, SNF & HHA (aka, "claims data"), cost reports, and other public data sources (i.e., this is not proprietary). All data reported according to CMS reporting guidelines (i.e., aggregate data and cells <11 will be blanked to protect patient identity). 3) InfoMAX accounts and their related passwords are licensed by Home Health Analytics for the sole use by the "Client of Record" and its authorized employees. Intentional redistribution, sale or access without the written consent of Home Health Analytics is prohibited and may result in account cancelation without refund. 4)The sole remedy for any breach of warranty, expressed or implied, including liability for negligence with respect for services furnished under this order, shall be limited to the re-performance of any defective product and under no circumstances include any incidental or consequential damages.
